God does not listen to the language of the tongue, or of the mind, but He responds to the language of the heart. The language of the heart is the song of love for the Beloved.

- Avatar Meher Baba

I am the Ancient One. Be very honest in whatever you do, even in loving Me one hundred percent. Be honest, and honesty will make you love God so that you lose yourself in Him and find Me as your own self.

I am equally approachable to one and all, big and small, to saints who rise and sinners who fall, through all the various paths that give the Divine Call.

I am approachable alike to saint whom I adore and to sinner whom I am for, and equally through Sufism, Vedanta, Christianity, or Zoroastrianism and Buddhism, and other "isms" of any kind, and also directly through no medium of "isms" at all.

“Be Soldiers of God”

Let us become the soldiers of God.

Let us struggle for the Truth.

Let us live not for our own selves but for others.

Let us speak truly, think truly and act truly.

Let us be honest, as God is Infinite Honesty.

Let us return love for hatred and win over others to God.

Let the world know that above everything, most dear to our hearts is God-the Supreme Reality.

I give you my blessings for the attainment of this Truth.
